

A Motorist's Prayer

Meditation: **The just man travels by the high road, safe from harm, watching his path anxiously as he valued his life.** Proverbs 16:17

Lord God, you watch over all our modes of transportation. You guard our going and our coming. Keep us constantly aware of how precious your gift of life is, lest we risk harm to ourselves or those riding with us, or injury to our neighbors on the highways, waterways or trails. Remind us to fasten our seat belts carefully as we keep rein on our passions and evil inclinations. Inspire us, too, to take due care of our vehicle, watercraft or ATV and to drive it at a reasonable speed. Assist us in observing traffic laws framed for our safety even as we obey your own commandments. Bring us happily to this journey's end. For this we pray, through the merits of Christ, our Lord. Amen

Traveler's Prayer

Meditation: **Some go by horse, and others by chariot, but we go in the name of the Lord.** Psalms 20:7

Be with us, O Lord, who ask your aid. Take care of us, your family, on our journey and keep us safe. Protect us always by your help on all the roads of life. Through your Son, our Lord Jesus Christ, we ask your grace. Amen.

MEMORIAL DAY REMEMBRANCES

On Memorial Day, it is usual that many persons become conscious of the need to beautify the graves of their dead. That is a splendid American practice, and also, a venerable Christian custom.

Yet, it would also be Christian if one prayed for their own dead. Throughout the centuries, the Church has encouraged its members to pray for the dead.
