### Food for Kidz **Mission...**

It's our mission at Food for Kidz to package and distribute nutritious meals to hungry children and their families where crisis has struck and there is an immediate need. When situations like natural disasters, war, and famine seem insurmountable, it's important to remember that people like you, coming together with friends and family to package food and offer compassion **MAKE A DIFFERENCE.**

Food for Kidz is a non-profit organization that puts 100% of donations toward packaging food and all donations are tax deductible.

together we can do so much."*

### How Can You Help?

#### Financial

To cover the cost of food being packaged, we need to raise \$20-25 per person packaging. Last year we raised \$2600. Let's surpass that and raise at least \$3000. St. Patrick's Religious Education students & teachers are spearheading the fundraising efforts but we need everyone's help to be successful.

You may help by:

- Donating to any Religious Ed youth
- Placing your donation in the Narthex drop box labeled **Food for Kidz**
- Bringing a \$20-25 donation on 2/11

Checks can be made out to either:

**Food for Kidz**

OR

**St. Patrick's**

(with **Food for Kidz** in the memo)

#### Packaging

We are packaging in the St. Patrick's Social Hall in two shifts. Currently, we've established shifts of 50 people but if the response is overwhelming, we will add more slots or shifts. We want all willing volunteers to participate. Everyone, including your friends and family, are welcome to participate. Please sign-up so we have plenty of product and stations to package. Additionally, we must ensure we can financially support the product we package.
