

Do You or Someone You Know Need Help Paying for Home Heating and Electric Bills?

The Energy Assistance Program (EAP) helps income eligible households pay a portion of their home heating and utility costs.

Three Rivers Community Action administers this federally funded program for people living in Goodhue, Rice, Olmsted and Wabasha Counties.

Renters and homeowners with incomes at or below 50 percent of the state median income are eligible for the program.

If you are uncertain you would qualify or have any questions about the program, please call us. We'd be happy to help!

If you would like us to mail you an application, call 507-732-8554 or 1-800-277-8418. Applications can also be downloaded from our website -- www.threeriverscap.org -- or picked up at our offices in Faribault, Rochester, Wabasha, and Zumbrota.

If You are Having Difficulty Covering Your Monthly Expenses, PLEASE Consider Applying for Energy Assistance.
