First Reading: 1 Kings 19:16b-19-21
Psalm 16 "You are my inheritance, O Lord."
Second Reading: Galatians 5:13-18
Gospel: Luke 9:51-62

In the Gospel Jesus resolutely begins his "journey to Jerusalem." He does this with some urgency, telling his disciples what they must do to follow him. When you hear these words, perhaps you can examine your own lives to see what we need to set aside and leave behind in order to follow Jesus more closely on the way

A Word from Father Victor ...

June 19, 2016

Dear Brothers and Sisters,

WE are about to end our church fiscal year and it is this time of the year that we look back to see and reflect how we have journeyed as a community and as followers of Jesus Christ. I invite you to reflect with our pastoral council how we have progressed in building our community and how we have journeyed with our faith. What have we done so far? Have we progressed? How have we been formed in our faith?

With the business and complications of our life we can easily forget what our visions are and what directions we are undertaking. It is important to remind ourselves to keep focused on where we want to go and what we want to be and see what directions we are journeying.

I can see that as a parish we are beginning to be more active and I can see more members participating. WE have taken care of some improvements with our facilities and we are beginning to give attention to faith forming activities. WE have also reached out to our members. We are making baby but good steps forward.

There is still so much to become and to do. It is a healthy life when we have something to look forward to and work to become. Let us not forget our vision and mission and always remember we are all journeying with Jesus Christ our Lord.

St. Patrick Faith Focus Group will meet on **Sunday, June 26th at 10 a.m.** All ages welcome. We use Matthew Kelly's Decision Point program facilitated by Kim Chmelik. The entire program can be accessed online to work on your own. Workbooks available in the office or contact Kim, 507.333.0297 or kchmelik@earthlink.net.

Sleep IS Important!

Recent surveys show that a large percent of people function on lack of sleep, leading to overuse of caffeine, tobacco, alcohol, overeating and possible use of drugs to make them feel better.

Adults also need to organize their lives to fit in adequate sleep time. People who are sleep deprived may lose energy and become quick-tempered. Consuming substances to keep alert will lead to more problems. Try praying or taking a few deep breaths to help calm you and get you to sleep. The average adult requires at least 7 – 8 hours of sleep, older adults may need less. Children require 9 – 10 hours of sleep, depending on the age.

Dear Friends,

Many of you have heard through the 'grapevine' that I will be resigning my position as Music Director of St. Patrick. It is with both a heavy and joyful heart that I confirm that, yes, indeed, that is the case. As both of our children have made their homes in Duluth, so shall Lloyd and I make our new home in Duluth in the near future.

I thank you for these many years of music, friendship, laughter and wonderful treasured memories. I also want to thank you for supporting this Lutheran girl while she learned the "ropes" of the Catholic faith.

It has been a wonderful journey these past 17 years. I shall carry sweet memories in my heart always. I wish you the best. With Love, **Cindy**
