

A Word from Father Victor ...

May 15, 2016

Dear Brothers and Sisters,

This is the time of the year that commencement exercises are being celebrated. High school students commence a new journey through college. Confirmation students commence to personal journey in life, living in the teachings of Jesus Christ and establish a closer relationship with him. The word graduation does not mean an end to something but transitioning or elevating once journey into a new phase. May God bless our youth on their journey.

May God continue to breathe on us the new life he earned for us by his resurrection from the dead. Resurrection indeed means victory over death and new life. Then with the new life he conferred on his disciples, the Church, the mission to continue his work of bringing salvation (new life) in the forgiveness of sins and instruct the penitent what they are forfeiting by rejecting the mercy of God.

The wonderful gift of speaking foreign languages was a manifestation of the overpowering of the Holy Spirit in the early church and continues to work on our church today. In our catechism it is spelled out the gifts of the Holy Spirit that can support us in our different needs and different ministries. Can you imagine how the gift of counsel can help parents in their roles as guides to their children?

This weekend we remember and celebrate the birth of our church. We celebrate the coming of the spirit and learn to receive and respond to it. Let us offer our thanksgiving to our God who is always with us and accompanies us.

To our graduates and our confirmation students, God bless you on your journey!

This Friday is the Grandparents/Grand Friends Talent & Art Show, one of many multi-generational opportunities our students enjoy at HRS. There is great value in providing settings that allow students and their elders to share time and experiences. Pope Benedict's understanding of the special role of Grandparents or Grand Friends is reflected in this passage from his Grandparents' Prayer. Have a good week. Excerpt from "**Prayer for Grandparents**" *Lord Jesus, help families and society to value the presence and roles of grandparents. May they never be ignored or excluded, but always encounter respect and love. Help them to live serenely and to feel welcomed in all the years of life which you give them. Amen!*
