You Can Help!

Food for Kidz **Mission...**

It's our mission at Food for Kidz to package and distribute nutritious meals to hungry children and their families where crisis has struck and there is an immediate need. When situations like natural disasters, war, and famine seem insurmountable, it's important to remember that people like you, coming together with friends and family to package food and offer compassion **MAKE A DIFFERENCE.**

Food for Kidz is a non-profit organization that puts 100% of donations toward packaging food and all donations are tax deductible.

How Can You Help?

Financial

To cover the cost of food, we need to raise a minimum of \$30 per person packaging.

- In 2015 we raised \$2600.
- In 2016 we raised \$3050.
- In 2017 we raised almost \$2300.
- Let's try to reach **\$3000** again.

St. Patrick's Religious Education students & teachers have been fundraising but we need everyone's help to be successful.

You may help by:

- Donating to any Religious Ed youth
- Placing your donation in the Narthex drop box labeled **Food for Kidz**
- Bringing a \$30 donation on Feb. 27th

Checks can be made out to either:

Food for Kidz

OR

St. Patrick's

(with **Food for Kidz** in the memo)

Packaging

We are packaging in the St. Patrick's Social Hall during Religious Ed class 6:30-7:30. We need volunteers from 5-8:30 to help before and after the event for set-up and clean-up. We ask any packing volunteers to either raise or donate a minimum of \$30 to pay for the product one person typically packages in an hour. Please sign-up so we have plenty of product and stations to package. Additionally, we must ensure we can financially support the product we package.
