In our Gospel, Jesus appears to the apostles after his resurrection, and even prepares a meal for them. These holy scriptures about the life of the early church, let us reflect on the many ways Christ comes to us and feeds us in our own lives. How does Christ's presence sustain us and give us strength to proclaim the Good News to those around us?

A Word from Father Victor ...

April 3, 2016

Dear Brothers and Sisters,

This weekend we celebrate the feast of the Divine Mercy. It is a day we remember and celebrate the gift of reconciliation, healing and restoration that God offers to all who come to him in their regret, hurt, loss, confusion, and shame. We celebrate our God who redeems all sinners.

How can we celebrate this great devotion and gift? First let us give thanks for the gift. Secondly, let us use the gift of memory of our healing and share the lessons we learn. Third, let us be instruments of reconciliation and healing ourselves. The new evangelization challenges us to spread the gospel through our own experiences of healing and freedom and helping our brothers and sisters to heal from their own hurts caused by sin.

There is so much intentionality and will in the process of healing. WE desire to be healed, first and foremost and work on it. We choose to humble ourselves and accept our reality. Let us open our vulnerability to the Lord and ask for his healing. It takes time and patience. Keep praying. Ask and claim for God's healing and forgiveness. Forgive your self and others as well. Like Jesus, let us carry our cross, and let our sins die so that like him, we can also be resurrected. It is God's desire to forgive, to heal and to redeem.

May our celebration of Easter become an experience of forgiveness, healing, restoration.

2nd Collection this Weekend for St. Mary's Church, Melrose

We are having a second collection this weekend, April 2/3 for St. Mary's Church in Melrose which was destroyed by a fire on Monday, March 14th. Built in 1899, it was a beautiful, historic church. This brings back many memories of July 29, 2002 - a sad day at St. Patrick. 13 years ago we watched our beloved stone church burn. St. Patrick received many acts of kindness from all over the United States. We hope to pass this on to St. Mary's. Please be as generous as you are able.

Advertising Backdrop Update... No we haven't forgotten about this! We recently collected another \$500 towards the restoration of an advertising backdrop we got out of the old social hall. We still need about \$700 so we can get the backdrop professionally preserved.

Thank you parishioners of St. Patrick's for your wonderful participation during the Easter Triduum. It was a joy celebrating Holy Thursday and Holy Saturday with you. May God bless all of you with Easter joy. **Fr. Jerome Fehn**

I am always so impressed with the poise that HRS students demonstrate when they participate in Mass or give any presentation. The students' excellent portrayal of Christ's Passion on Wednesday of last week is a case in point. In addition to enriching students' faith, events like the Living Stations provide genuine opportunities for the students to contribute to the community and to develop important communication skills.

Pennies for Patients

During Lent HRS students collected \$423.94 for the "Pennies For Patients" program sponsored by the Leukemia & Lymphoma Society. Well done!

Spring Flower & Chip Shoppe Fundraiser

HRS has begun its Spring Flower & Chip Shoppe fundraisers. The students received their fundraising packets March 23. Packets will need to be back by the 13th of April in order to have products here by Mother's Day.

Registration

Registration for the 2016-2017 school year is open. Forms have been sent home; please call the school if you have any questions. Remember to get your

registration forms in by April 1 in order for you to have a chance to win a scrip gift card.

National Walking Day

Take the first step to a healthier life by taking part in the American Heart Association's National Walking Day. On Wednesday, April 6, HRS will kick off a month-long celebration designed to help us all become more active. On the day of the event, students and staff will walk the school's Mileage Club route from 11:40 a.m. to 12:10 p.m. during an extended noon recess. Interested community members are invited to put on their walking shoes and join HRS.
