This Gospel was heard earlier in the season, on the Second Sunday of Easter. How much has happened since then! We have come full circle, though, and recall that the Church has received the gift of the Holy Spirit. When you read or listen to these sacred scriptures, reflect on how each of us has received that gift, and how we are now called to share it with the world around us.

## A Word from Father Victor ...

May 8, 2016

Dear Brothers and Sisters,

This weekend we celebrate the feast of the Ascension of our Lord Jesus Christ, his return to his Father. Jesus said that his kingdom is not of this world. His ascension attests to the fact that his promise of another life after our life here on earth is true. Earthly life is not the ultimate goal. There is more to come and to look forward. Now we begin to keep watch and to look forward to his second coming. And while waiting, we build his church. He has sent us the Holy Spirit to guide and enlighten us as we strive fully to follow his teachings. His disciples were witnesses to this Ascension and his promise.

On Saturday, we will have hold the candle ceremony for our candidates for confirmation. It is a significant event where parents hand over their baptismal candle to their children. The children receive the candle and profess their baptismal promises. They commit to live a life building a relationship with Jesus Christ and making use of his teachings as a guide in their living.

Let us assist them with our prayers. **Confirmation is not graduation. It is a gift.** Rather it is a beginning of a journey with Jesus Christ. We journey with them joyfully discovering Jesus and making meaning with him in our lives.

*Somebody celebrated a birthday May 6<sup>th</sup>!

May 2 - 6 is National Teacher Appreciation Week, a time on which we want to thank all of those who teach our children and a day on which we, as adults, can reflect on how a certain teacher or teachers shaped our lives positively. Some of us can think back to an educator who, perhaps for the first time, helped us recognize a talent we had or encouraged us to work until we understood the multiplication tables or successfully delivered a class speech. At Most Holy Redeemer, we so appreciate our teaching staff who, in addition to providing academic instruction, guide our students on their faith journey and understanding of virtue. Pope Francis beautifully captures the value of Catholic school teachers, defining teaching as an act of love. Have a good week.
