Second Sunday of Easter

April 3, 2016

First Reading: Acts 5:12-16
Psalm 118 "Give Thanks to the Lord for he is good, his love is everlasting."

Second Reading: Revelation 1:9-11a
Gospel: John 20:19-31

AS we prepare to listen to God's holy word, let us listen in particular for language that speaks of the community. The apostles were "all together in Solomon's portico." Were not Thomas' doubts because he was away from the community at Jesus' first appearance? How important is it for our faith to be a member of a community of faith? Let us reflect on our membership in this Church and how it helps us to be able to say with Thomas, "My Lord and my God!"

A Word from Father Victor ...

March 27, 2016

Dear Brothers and Sisters,

Happy Easter, the Lord is risen!

This is truly a joyful moment for us as we also begin a new chapter in our journey as an archdiocese and as a parish to welcome and receive our new shepherd, Archbishop Bernard A. Hebda. Let us thank the Lord for the gift we receive in the person of the new archbishop.

The great story has always ended with the victory of the cross: the resurrection of Jesus. It means the victory of life over death, truth over lies, forgiveness over hatred, justification over condemnation. It means to us that there is new life. There is hope and there is meaning in life.

Our life is so intimately a part of this story. After winter, there is the spring of new life. In Christ, we also know how our story will end. Just as Easter follows after good Friday, the morning comes after night, we have a life in Christ after death.

That is why we celebrate Easter. It is not only something of the past. It is telling us of our cycle of life in Christ. God is always doing something new for us! Happy new beginnings once again!!!

2nd Collection Next Weekend for St. Mary's Church, Melrose

We are having a second collection the weekend of April 2nd and 3rd for St. Mary's Church in Melrose which was destroyed by a fire on Monday, March 14th. Built in 1899, it was a beautiful, historic church. This brings back many memories of July 29, 2002 - a sad day at St. Patrick. 13 years ago we watched our beloved stone church burn. St. Patrick received many acts of kindness from all over the United States. We hope to pass this on to St. Mary's. Please be as generous as you are able.

Jesus Food Service Project...

Our RE youth are participating in the Jesus Food Service Project. **To raise money, several classes are having a bake sale the weekend of April 2/3.** If you are able to help them by bringing items for the April sale, it would be greatly appreciated. If you would like to pack food with the youth on either April 13th or 20th, Please sign up on the bulletin board by the office. There are a limited number of spaces available. Financial contributions can be put into the weekend collection or dropped in the 'Jesus Food' can in the narthex. The bulletin contains more information about our Jesus Food project.

Our new archbishop is announced!

On Holy Thursday, March 24, Pope Francis formally named Archbishop Bernard A. Hebda as the new leader of the Archdiocese of Saint Paul and Minneapolis.

Archbishop-Designate Hebda has been serving as Apostolic Administrator of the Archdiocese since June 15, 2015. During that time, he has also been serving the Archdiocese of Newark, New Jersey, as Coadjutor Archbishop, and was scheduled to replace Archbishop John J. Myers when he is expected to retire in July.

The son of Bernard and the late Helen Clark Hebda, the Archbishop-Designate Hebda was born on September 3, 1959 in Pittsburgh, PA. He was ordained to the priesthood on July 1, 1989 in St. Paul Cathedral in Pittsburgh. His Episcopal ordination was on December 1, 2009.

In addition to serving the Archdioceses of Newark and Saint Paul and Minneapolis, he was Bishop of the Diocese of Gaylord, Michigan and has served at the Vatican and in parishes in his hometown of Pittsburgh, Pennsylvania.

Archbishop-Designate Hebda's Installation Mass is scheduled for 2 p.m., Friday, May 13, the Feast of Our Lady of Fatima, at the Cathedral of Saint Paul.

Integrating computer-assisted learning in our classrooms only makes sense when we consider how integral computers have become to the jobs we do in today's workplaces. For this reason, we appreciate the one-to-one Chromebooks Grades 6-8 students use and the opportunity to include STEM-oriented lessons that benefit our students.

In blending face-to-face learning with computer use, we have a model within our Catholic tradition: Sister Mary Kenneth Keller. A Sister of Charity, in 1965 she was the first woman to earn a Doctorate's degree in computer science. Along with creating a computer language, she went on to establish the computer science program at Clarke College in Iowa.

Early on Sister Mary Kenneth grasped how computers could be incorporated into Catholic education. Today at HRS, we, too, are committed to providing an education that both utilizes technology and fosters the spiritual and character development that will guide our students in how they apply that technology.

Have a good week and a very happy Easter.
